With the Love of the Father

April 2011

Greetings from our home to your home and many blessing from our Lord Jesus. Truly, God is still on the throne. He is always in control, even though trials come and the earth shakes. He will always be on the throne. We can find comfort in knowing He is always in control.

Thank You WOC

We want to say a big thank you to our home church in S.C. (World Outreach Center) for coming to build the roof for the Power of Your Love Ministry Children's Kitchen and helping out with the Park outreach. Thank you to Brother Jeff from White Sands for bringing your tools and helping. You guys were a huge blessing! Many awesome things are happening at the outreaches. Many people are giving their lives to Christ, being healed and finding comfort in the Holy Spirit.

Daniel Bowlin from N.C. spoke to the children about becoming the sons and daughters of God. Most of the children responded to become sons and daughters of God. We gave each child a Burger King crown. Representing the crown of Life. They loved the crowns.

We were able to give out ice cream cones and do face painting, balloons, and play games with all the children.

Each child received a toy and a new toothbrush at the end of the outreach.

There were about 400 people at the outreach. John Cava, our pastor from South Carolina (Director of the WOC) preached and 2 members of the group with him shared testimonies. Many people were touched by God! We gave out bags of beans and rice to all the families.

WOC working on the roof of the Children's kitchen. Everyone in the group worked so hard. The Pastors of the Comedor were so happy and thankful!

We appreciate you and we are so grateful to those who have been supporting us. We can't tell you how much this means to us. Please keep us in your prayers. It is very important that we are led by the Spirit of God and not by our own agenda or feelings. We covet your prayers.

God's Love (Poem by Samuel Partridge)

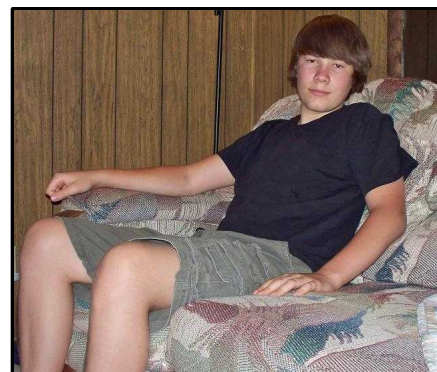

For all those who want to know,
God's love can make us as white as snow.
Men who have done unthinkable things,
It doesn't matter through Him we're clean.
God gave His love by sending down His Son to suffer for us.
He shows His love more every day, He never will ignore us.
Just as He loved us, He asks us to love one another.
He asks us, Please love everyone as sisters and brothers.
Three special gifts faith, hope and love are great.
However God's greatest Gift is love.

How Is Your Thinking? (Poem by Kari Grace Partridge)

How is your thinking? Is it stinking?
What do you think about? Do you have faith or do you doubt?
Is what you are thinking bring you up or bring you down?
Do you think you're loved or hated? Have negative thoughts degraded you?
Our thoughts should be positive, the opposite of negative.
Full of faith, hope and love; these three things are gifts from above.
When you are thinking good thoughts from above, then you will live in true joy and love.

Jadon at the zoo on his birthday, he just turned nine years old.

Joseph just turned 15 years old. He is working on getting his drivers permit and he is getting so tall.
