

Seek and Save Ministry The Scuottos in Italy

"For the Son of man has come to seek and to save the lost." Luke 19:10

Carissimi amici,

April 2011

That's 'dear friends' in Italian; I just thought it was cool to start this newsletter in a different way. We are in Poplarville, MS, and I am starting to write this newsletter while recovering from a flu. About ten days ago, our daughter Miriam had to be brought to the E.R. for a fever seizure. This is her second one, and we are running some tests with her doctor and at the hospital. Please be praying...She is now great and kicking.

A couple of weeks ago, I went to a Ministers conference called 'The Remnant' in Baton Rouge, LA, at the Bethel church where Larry Stockstill pastors. Guest speakers were Rick Warren, Bob Sorge, Larry and Joel Stockstill, and Reinhard Bonnke. It was very powerful and very deep.

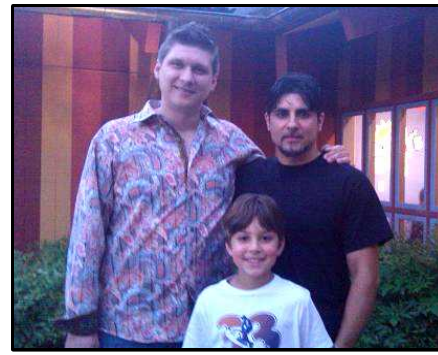

They spoke on Missions, on integrity, on character, on Evangelism, and several other issues that might come against you while you are on the mission field, like pride, lust, and being self-centered. The subject that touched me the most was from Bob Sorge on Intimacy with GOD. It was very deep, and I highly recommend his books.

WHILE IN THE US

God has been opening great doors for us while we are in the States waiting for my citizenship progress to advance. I was invited to go preach in different churches in Louisiana, Mississippi, and Florida. God really moved on the lives of many people and the Gospel was preached with passion. I saw how God healed and baptized in the Holy Spirit. One particular guy that was newly saved came to the altar to receive prayer. He was filled in the Holy Spirit and healed from his knees injury. The guy was astonished that he did not have pain in his knees. He told me that doctors could not understand what that sickness was, and to be honest with you I don't care to know. JESUS HEALED him and that's all that counts!

On our trip, we also went to minister in Orlando, and met with Daniel Kolenda and his wife Rebecca. Daniel is the director of Christ For All Nations, (Reinhard Bonnke Ministry) and in the last 4 years he led about 1,000,000 (Million) people to Jesus. It was an amazing experience, and we will go back to Orlando before we return to Italy.

The kids were also happy, because a friend of ours gave us free tickets to Disney World, so we also got to experience that.

IN ITALY

Meanwhile, the group I left in Italy is doing a great job, and they are growing. I talk to each of them weekly and give them direction in areas where there might have been some difficulties. All is working fine, and the food bank is growing. People are touched by the heart of our fellow Christian friends, and the fact that I am here in the States is giving them an opportunity to take more responsibilities in the ministry and grow as leaders. What a wonderful God we serve! Also, my bills and rent are being taken care of by our church accountant Doriana. I am sending money through Paypal into the Italian banking account, and she is taking the money to the landlord and paying the bills. Thank you, JESUS!

OUR THOUGHTS

After the earthquake in Japan, we once more must consider how uncertain life is. But we must have the assurance that God is God, and He is still on the throne. Everything is under HIS CONTROL.

Blessings to you all!
