

Seek and Save Ministries In Italy

Invites you to... Pray and Support

Special Outreach Fundraiser!

April 25-May 1, we have the opportunity to host The Ballet Magnificat dance production here in Naples, Italy as part of their European Spring Tour. If you are not familiar with this powerful ministry, please check them out here: <http://www.balletmagnificat.com/about-us>. They 'preach' the gospel message through dance in the US and internationally. You may also watch a promotional video here: <http://www.youtube.com/watch?v=qClrEZNMGfw>.

During their time here, we are arranging dance workshops and times of ministry for the team. The main outreach will be in downtown Naples on May 1, the national Labor Day holiday. We will be renting a beautiful theater near a main plaza by the boardwalk. This area of the city will be full of families because of the holiday. We will hit the streets with evangelism during the day as we have done previous summers, and then to people that show any interest, we will offer them FREE theater tickets to the BalletMag performance that evening.

I cannot express how excited I am about this! They have done productions in Venice, Milan, Israel, Moscow, Berlin and many, many other cities around the world and gathered much fruit for the Kingdom! This is a Kingdom minded ministry, and we are thrilled to join with them and see what God has in store.

What can you do? As we join with them we need people to join with us in this outreach. Join with us in prayer and join with us in raising the funds needed to bring this forward!

Funds needed and how to give...

- Teatro delle Palme Rental: 2500 euro!** (With the help of a local restaurant owner that has some good connections, we are able to book this theater for only 2500 euro. Normal theater range is 4500-7000 plus light man, rental of marley floor mat for dancers, etc all extra...we get everything we need for 2500!!)
- The Ballet Magnificat Company: 1700 euro.** The BalletMag doesn't charge us a fee, but we would like to bless the dancers that are paying their way for this missions trip with 100 euro per dancer (17 dancers = 1,700 euro)
- Transportation: 800 euro.** (Rental van and gas while they are here.)
- Total 5,000 euro.**
