**From our hearts to yours,  
Strategic Global Impact  
wants to wish you a very  
Joy-filled Christmas and a  
Blessed New Year.**

2014 has been a year of extraordinary stretching, missional living, and seeing the miraculous provision and mission of God unfold in our lives here in Germany. God miraculously opened the door for our move to Frankfurt. And in 3 short months, we are already seeing God draw the unsaved to Himself in this city. God is giving us a strategic partnership with Mosaik Church in Frankfurt and the Pentecostal denomination in Germany. In the last year, we've been helping to revitalize a small church with people who are hungry for God, traveled to Africa to lay out a plan to plant many more churches there in the next 20 years, continued to learn German, moved twice, and dove into various new ministry contexts, etc. What can we say, the Lord has been good, but we could never have done it apart from your prayers and financial assistance. Thank you for partnering with us in the Gospel. In 2015, we plan on pushing forward in multiple fronts—but more on that later. For now, let's focus our hearts on the reality of the Savior and the meaning of the God/Man Jesus coming to the earth.
