

REVIVAL AND SUPERNATURAL

**"IF I CAN GET THEIR TESTIMONY
I CAN TAKE THE GOSPEL ALL OVER
THE WORLD"**

A new world into which we've been thrust

2013 was a great year. The Lord has been speaking to us about moving on into new things. I do not know if someone can really fathom how God works. He often says things, but does not clearly state what He has in mind. The reason? After over 20 years of

mission work, I have come to several conclusions. Above all, "His ways are higher **then** our ways" and if He would attempt to say anything long term, we would not understand. Abraham is our great example. He was called to the "land that I will show you..." and he left

"not knowing where he was going..." Yes, by now you figured it out, we have been walking on that path for a long time, going to the place He will show us. This new ministry that God has entrusted us with is very exciting. There is a great thing that prompts me to do more....

"I HAD A VISION OF ME HOLDING A CAMERA AND I SAID..."

...as I was saying, there is something incredible about this project. I am a street evangelist. Not only that, I also train churches to go to the streets to meet people in their needs. It's hard to get everybody's attention with a message that speaks about God so, I train people to perform dramas, puppet skits, and other art skits that grab the attention of the passerby. We have had pretty good crowds of non believers, up to roughly 250 people per night. In Italy this is good, but one day something struck me. I was

in my bed, and I had a sudden vision. I was holding a camera in my hands and I was interviewing someone. Then the thought struck me: "I can take the Gospel all over the world..." I started to ponder the idea of not only preaching to a few hundred but to release the message with a camera through the television, Facebook, youtube, twitter and all the other media doors that are out there. The idea was perpetrated in a matter of eight weeks, from Italy to Charlotte, NC, to Mississippi, to Dallas, TX to Orlando, FL and back to Italy. It was done only by HIM, because I could not do what I did. So I am in, and I need you to be in with us. Please keep on reading...

How then will they call on him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without someone preaching? And how are they to preach unless they are sent (Romans 10:14-15)

I heard many times, "Salvation is free, but preaching the Gospel is expensive" That is true! I have been preaching the Gospel since God saved me from a lot of junk, and I tell you it's expensive, just like every other job. In this project we have to travel to interview people. I would love to have my own studio, but the budget is too high for that and I can't right now. So I am limited to travel to areas close by to interview brothers and sisters that have something to tell the world. Only in 2013, like I said before, we traveled to many states to make all this possible. I really believe in this project and "I am sure of this, that he who began a good work in you will bring it to completion at the day of Jesus Christ" (Philippians 1:6). The Scripture says: "ask and it will be given..." On behalf of the many people who are waiting to hear the Gospel in this country and abroad, we

would like to ask you to be a partner of this project. Revival and Supernatural is developing into an international project. The interviews are going to be translated into other languages, like English, Spanish and Italian. We have the translators, we have the dubbers, and we have almost all the equipment to continue, the only thing we need for this to extend is committed steady support to allow me to travel with this project. All of this for only one thing, to exalt Jesus' name and let people know that He cares. Please, help us continue this mandate by committing your prayers and support. GOD IS WORKING IN THE LIVES OF MANY PEOPLE. WE WANT AS MANY PEOPLE AS POSSIBLE TO KNOW ABOUT HIS WORK. THROUGH THIS PROJECT WE WANT TO REACH AS MANY PEOPLE AS POSSIBLE. HELP US TO GIVE A FACE TO THE NEXT PREACHER.
