

The Father's Children

January - February 2020

Klein Family - Philippines

I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus. -Philippians 4:13

UPDATE

Finally, I (Jade) was able to sit down and write an update about our life from this side of the world. It's long overdue for sure. These past few months had been very busy and overwhelming to say the least. Before I proceed, I hope you all had a wonderful Christmas and New Year celebration with your family and loved ones. As we enter not only a new year but a new decade, let us all the more PRESS ON and PURSUE JESUS like never before.

A decade ago, I (Nick) left my life behind in the USA and moved to the Philippines. It was not easy at first. Ten years after, I have learned many new things. I have witnessed lives transformed. I am now married into the culture here. I also met the most beautiful woman in the world, got married and I have a beautiful daughter now. I know that the Lord will do many more greater things in the coming years. I am excited to see what God will do.

SUNDAY SCHOOL

The first time in a long time for us to teach together with Ava in Sunday school. It is definitely by God's grace. Ava was so behaved the whole time. She danced, listened and participated with all the activities. We shared about the overflowing love of God.

MANGO RADIO- Communicating the Love of God

Recently, Nick was invited for an interview by Mango Radio Davao 102.7 FM, a local radio station. It's such a great opportunity for my husband to share his testimony and the gospel through the airwaves. It will be aired in a week or two as I write this. Please pray that whoever will hear this will grasp the Father's love and be changed forever.

PHILIPPINES - Davao City

UPDATE CONTINUES...

Some of you may already know this, I had a miscarriage last December. It was physically challenging, heartbreaking and emotionally exhausting. Nick had to take care of me and Ava at the same time. Also, my sister was admitted to another hospital for some bleeding issue. In addition, we found out that my Mama had goiter which required a surgery. January came and her scheduled surgery went well. Thankfully, her biopsy result came out good. It wasn't malignant. Praise God! Thank you for everyone who prayed for us, for my Mama and please continue to keep those prayers coming. We appreciate it big time.

Around December, we were hit by another strong earthquake and a few aftershocks. January 12th, the Taal Volcano erupted with thick ash falls and quakes. Thousands of people, animals were evacuated. It is a two-hour flight from us. We are not affected by it yet continue to pray for all the affected families, livestock, establishments and properties. Also, there is the Coronavirus disease 2019 outbreak. Pray for the Lord's blood covering over us, for supernatural healing for all the infected people in China and other countries.

In a month or two, we will be entering the hottest season here in the Philippines. Although, it is already hot here but during the summer time, it reaches around 100 degrees or higher. Unfortunately, our car's air-conditioning compressor is going bad. The technician told us that it needs to be replaced and it costs \$500. If you're led to give towards this repair project, kindly put "**Klein Vehicle**" on the memo line.

4th YEAR ANNIVERSARY

We celebrated our 4th wedding anniversary last February 10th. It was nothing grand. It was a day well spent at the beach with our best girl, Ava. We thank the Lord for His faithfulness, goodness and grace over our marriage and family.

*Love,
Nick, Jade and Ava Klein*
