

The Father's Children

January 2018

“It shall come to pass that everyone who calls on the name of the LORD shall be saved.” - Joel 2:32

New Year Celebration

We would like to wish everyone a Happy New Year. We are expecting God to do extraordinary things this year. Jade and I celebrated New Year's eve with family and relatives. It was a time of fellowship, fun and lots of food. :)

New Season

We believe that in this new season the Lord is opening a new opportunity for us to demonstrate His love and goodness to His children. I, Nick planned to start a weekly outreach to a local government drop-in center for boys needing temporary shelter, care, protection, and immediate social service. Please partner with us in prayer as I prepare to minister and love on these abandoned, abused or orphaned boys.

ZOOFARI Treat!

The kids from our Awana Club on Saturdays went to Zoofari, a kids' play place. The owner of the place was a big blessing to us. The kids were able to play for 2 hours for FREE! :) Thank you to all who gave and helped us provide for their lunch. God bless you abundantly!

PHILIPPINES

Davao City is for JESUS!

Please pray for Davao City. A tropical storm hit some parts of Mindanao few weeks ago. The Davao river overflowed and a lot of families were affected by the flood and being evacuated. Around the same time, a local mall was caught on fire which took 37 precious lives. On New Year's eve, another fire accident took place in a neighborhood which affected more than 100 families. With some friends, we gave out some food packs, clothes and utensils to the fire victims. We also prayed over them. Please be praying for the affected families, our city, our nation as a whole. We believe that God has greater things in store for this land, agree with us in prayer and intercession.

Baby Delivery Fund

As many of you may already know, we are expecting our baby girl by April. God has been good to us and is redeeming that which was lost. We thank God for a healthy pregnancy. Continue to pray for us for a safe pregnancy and delivery. If you are able to help us financially with the birth expenses, it will cost around \$1500. You can send your online donations or one-time gift through the link below and kindly indicate "KLEIN-MEDICAL" on the memo line.

URGENT NEED!

Thank you so much for giving towards our car project. As Jade is getting close to her due date, to have our own car would be very helpful. This will also help us to be more mobile in doing the work of ministry. However, we still need **\$2,500** to purchase even a second-hand car. To help us reach this goal, you can send your tax-deductible online donations or checks and specify it as "KLEIN VEHICLE".

Thank you so much for partnering with us. God bless you and yours !
