*And how can anyone preach unless they are sent? As it is written: "How beautiful are the feet of those who bring good news!" - Romans 10:15*

## Family Day and Water Baptism

This past month we had a time of fun and fellowship with the church's Family Day at the beach. We had also witnessed 11 souls get water baptized and 4 of them were fruits of our Kids Discipleship program. WOW! It is so good to see these young people dedicate their lives to Christ and we rejoice with them. We pray that they will serve the Lord all the days of their lives.

## Preach the Word!

Nick delivered the Word of God at church this month; exhorting the body of Christ. The Lord also opened an opportunity for me, Jade to minister to women and kids at Sidlakan Women Crisis Center. It is a crisis intervention center for women and their children who are victims of domestic violence. Please pray for God's love to overflow in this facility and for salvation, restoration over these victims and their families.

## AWANA and Feeding Highlights

Every first Saturday of each month is Rewards and Recognition time! Awards are given to the kids who have been faithfully attending our AWANA Club Discipleship program. Also, we opened our AWANA Store. Once again, the kids exchanged their earned points to school supplies, shirts, socks, toiletries and many more. Thank you for your financial support as we were able to feed the kids with good, healthy meals.

Congrats to the June Awardees!!!

July Awardees with some of our staff and leaders! :)

# PHILIPPINES

**Resident Visa Update** - We are happy to announce that Nick's probationary resident visa here in the Philippines is already approved! It is good for a year. Then, we can apply for the permanent visa by next year. Thank you Lord. :)

**Children of Life Ministry Vehicle** - Thank you for all your sacrificial giving towards this car project. We still need **\$3,000** to buy a reliable car and we believe that the Lord will provide the finances for this. If you are led to help us, you can send your online donations or checks and put "KLEIN VEHICLE" on the memo line. God bless you more!

## **Next Generation Leaders (NGL) Classroom**

We believe that the kids are the hope of our nation. We continue to pour into their lives and train them the way they should go. For the past few months, we have been doing our Sunday School at the back of the church (above photo). It is challenging to teach and for the kids to focus due to the competing sound from the adult service and ours. Thus, we would like to build a kids classroom that is conducive for learning (below photo). Around **\$4,000** is what we need to raise. If you would like to partner with us in this project, you can send your donations and put "NGL CLASSROOM" on the memo line. No amount is too small or big. Any amount you can contribute is a big help for the kids and the ministry. May God bless you and your family abundantly!
