

THE FATHER'S CHILDREN

DAVAO CITY, PHILIPPINES

We thank everyone at Touchpoint Church for blessing us financially. We were able to get our car and its AC fixed. We didn't know how bad it was until the clutch was replaced. We thank God for protecting us as we have traveled in hilly roads with a broken clutch.

We're still on a lockdown status here in Davao City; a community quarantine as what it's called. To site a few, this means that our Saturday youth outreach meetings are postponed until the community quarantine is lifted. Wearing of face masks and face shields are still mandatory. Kids are prohibited in public places. It's challenging for our three year old who loves to be out and be with people. We urge you to pray for our city government and the whole country especially the officials implementing these orders.

Every Thursday morning, our South African friend, Gideon, comes over for coffee. We talk, pray and fellowship since the Sunday church service is still online. Also, pray for him and his wife, Eva. They moved here in the Philippines 2 years ago and he is still adjusting to the culture and life here let alone in this time of pandemic. Friday nights, Jade and I attend a bible study with other couples.

As we wait upon the Lord, please continue to pray for us for direction and guidance for what He has for us.

Happy 4th of July from our family to yours! Also, Happy Filipino-American Friendship Day! 🇵🇭 🇺🇸 🎉

Love,
Nick, Jade and Ava Klein
