

# The Father's Children

June 2017

Nick & Jade Klein

*Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these." - Matthew 19:14*

**BACK TO SCHOOL** — You heard it right, classes are back and you might wonder why. We know that most of you are already excited for your summer break. :-) Here in the Philippines, we follow a June-to-March academic year. All the public schools officially started their classes last June 5th. We are glad that once again, we are able to help our spiritual son, Albert get his school supplies, shirts and socks. His older sister promised to buy his bag, shoes and provide his daily school allowance.

**TESTIMONY TIME** — Albert was around 10 years old when I, Nick, first met him. He was tiny, skinny and shy. Now, he is a 16-year old smart, outgoing and on fire for Jesus teenager. He is one of the fruits of the previous feeding program I've worked with. Also, he volunteered and assisted with the VBS-Mission Possible we had last May. I'm so blessed to have witnessed how the Lord transformed him. Please pray that his love and zeal for Jesus will never stop and for wisdom and strength for his studies.

**AWANA KIDS CLUB UPDATE** — June 3rd, it was the first Saturday of the month and the clubbers were so excited and happy as we opened the AWANA Store. They were able to exchange their earned points for items such as pencils, pens, colored pens, pair of socks, face towels and many more. Also, we awarded the best clubber, player, leader and team for the month of May.

Civilians being evacuated from Marawi City.

Nick preached and the Holy Spirit fall afresh and baptized His people.

**MARAWI** — Our President, Rodrigo Duterte declared Martial Law over our island, Mindanao last May 23rd after a clash erupted between government forces and members of the Maute terror group in Marawi City. It is a 6-hour drive from us, however; we are safe and sound here in Davao City. As of this writing, the military troops are still fighting against this rebel group. Please pray for this war in Marawi to end and for peace and safety for the whole island of Mindanao. Thank you so much!

#### **Children of Life Ministry Vehicle**

We thank our great God for always providing all of our needs. We believe that He will also supply the finances for our ministry car. Thank you so much for all your giving towards this car project.

We still need \$3,000 to make this happen. If you are led to help us, you can send your online donations or checks and put **"KLEIN VEHICLE"** on the memo line. Thank you and may the Lord bless you abundantly! :)
