Feeding Outreach !

Greetings from the Philippines! Hope all is well with you and your family. The pastor and I are getting to know the kids more now at the new feeding outreach. Many of the kids are so happy to see us every week. I was able to teach on obeying God. Every week we give out fake money. They receive the money for coming to the outreach and for memory work. Every month they can buy stuff from our store with the fake money . If you would like to support this feeding you can send your donations to

worldoutreachcommunity.org/klein. Thank you to all those who support me through your prayed and financial.

Life Group : Boys of Truth

This month in boys of truth, I showed the boys the movie called Facing The Giants. They loved the movie. I showed them that no matter how hard things may look that nothing is impossible with God. The boys love to play basketball. This past month we had a tournament. They were so happy to play. It rained some but they had a good time. Please continue to pray the boys the are growing closer to God.
