Fire victims Outreach !

Greetings from the Philippines! Hope all is well with you and your family. This past month our city had a big fire that destroyed over 1,000 homes and about 3,500 family are now homeless. The fire hit in a area where a tribal group lives called the Badjo They are the poorest of the poor here in our city. Many of the families are now living in one of the city parks here. We were able to hand out 1,000 bags of rice to all of the families in the park. Please keep the families in your prayers for they have a long road ahead of them.

Feeding Outreach!

This month in our feeding we had some new kids come. They are so hungry for God that they will walk about 20mins to the come to our feeding. Many of the kids love it when we come. We told the kids that we would not have feed one week and they were sad. God is moving in their lives keep them in your prayers. God is also moving in our other feedings that I started last year. If you would like to support any one of the feeding it would be a big help to us.

This month some of the kids from our feeding program graduate from 6th grad. I was able to go and support them at there graduation.
