Feeding Outreach !

Greetings from the Philippines! Hope all is well with you and your family. Since I have been back here in the Philippines I have been busy with a new outreach. Every Sunday afternoon I have been working along side a local Pastor to start a feeding program. Every week we feed about 30 kids right now. Our goal is to feed 100 kids. We not only feed them physical, but spiritually. Our plan is to plant a church in this area. Please pray for this new work. It will cost about \$25 a week to feed about 30 kids. We want to feed the kids a good nutritious meal. If you can help, that would be great! thank you!

Life Group : Boys of Truth

This month in my life group, I had them make up a name for the group. They all came up with good name but the one that was best was Boys of Truth. So now our group will be called Boys of Truth. Each week that we meet I will provide the boys with fresh goats milk. The boys will wash there own cups when they are done. Please continue tune to pray for the boys.

Below to the left is the truck that I currently own. the one on the right is the one I want to buy to help transport the kids better.

PRAYER NEED!
Every week I transport the kids from my life group and have been traveling out of the city once a week. This has been putting a lot of wear and tear on my little truck. I am looking to buy a bigger and more reliable truck. It will cost about \$10,000. If you can help let me know.
