

# The Father's Children

March - May 2020

Klein Family - Philippines

*I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus. - Philippians 4:13*

We are currently on an Enhanced Community Quarantine until May 15th. However, we still don't know if it will be lifted or extended after that. We are literally staying home for 60 days and counting. Thankfully we are all doing good and healthy.

There is only one person from each household who can go out to buy the essentials. The first time Nick went out to get groceries under this lockdown, he felt sober. It's like he's going to war every time he goes out to run errands. He needs to wear a mask and bring a sanitizer with him. He has to bring his FM pass (food and medicine pass) and ID. Ava and I pray over him before he's off to go.

We also have a coding and clustering system where Nick can only go out on certain days (M-W-F) to buy groceries and medicines. He can only go to the stores within our cluster; which means he can't even go to the store down the street from us or to S&R (which is a Costco type place). Not to mention the waiting time just to get inside the store. No one is allowed to get out of their houses on Sundays. If you do, you will be arrested.

This maybe the new normal but we try to be productive still. I do my best to do lots of activities with Ava as we are unable to go to any parks, play places or go to church to see her friends. Every now and then she would ask for these places but we explained to her that they're closed right now. In terms of ministry, our main focus right now is our family and daughter. We use this time to cultivate a deeper intimacy with God, with our family and with others through prayer. Thank you everyone for your faithfulness in praying for us and supporting us financially. May the Lord bless you and keep you!

Love,  
Nick, Jade and Ava Klein
