

# Reaching Out to the People in Mexico With the Love of the Father

February/March 2013

*Behold, the former things are come to pass, and new things do I declare:  
before they spring forth I tell you of them. (Isaiah 42:9)*

*Remember ye not the former things, neither consider the things of old. Behold, I will do a new thing; now it shall spring forth; shall ye not know it? I will even make a way in the wilderness, and rivers in the desert. (Isaiah 43:18-19)*

Blessings and greetings in the name of our Lord Jesus,

We pray that all is well with you and your family. We are all doing well. However, we have been extremely busy that we have not sent out a newsletter since January. We will take a little time to explain in this letter what we have been busy with. Also, we have some new things that have sprung into the ministry that we will share with you as well. If you would like to watch the video from the Christmas Outreaches you can on You Tube at the following link <http://youtu.be/wluwtnr59do> or by typing Christmas Outreaches Juarez, Mexico 2012 (Partridge Family).

Recently, I preached a message at a church in Juarez that was celebrating their 3<sup>rd</sup> year anniversary. The message God gave me for the church came from the two passages above. I discovered later that God had intended this message for my family as well. I believe that this message will speak too many of you and you will say, "This is for me". Both passages speak of the same message. In the first passage, God is saying that the former things have come to pass and that He is declaring that New Things are coming. The second passage tells us to forget the former things and don't even consider the old things, because God is declaring New Things are coming. I know that Isaiah is prophesying this word from God to Israel, but I believe that all of scripture is intended for all believers and can be applied to our lives. So this is what I believe that these passages are saying to us. There are times in our lives that we need to be willing to forget about what has happened in our past. No matter if the past has been good or bad. If our past is bad, we have a promise in the New Testament. *Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new (2 Corinthians 5:17)*. Maybe our past is only good, and we could not imagine forgetting it. Forgetting a good past can only mean that the New Things will be so great that they cannot even compare to the past. These passages state that the New Things are ready to spring forth. God is ready to do New Things in our lives and they are about to spring forth. Are we ready to step into New Things? God is ready! When God does something, He always does New Things! Amen!

## **New Things for the Partridge family**

We have been asked to direct a ministry called God's Storehouse in Alamogordo, NM. This ministry has been operating for the past 17 years. Basically, this ministry collects and receives new and used items such as the following: toys, clothes, blankets, coats, dishes, appliances, baby items, household items and etc. These items are sorted and organized to be used for Missions to help families in need. This ministry has been able to help many people and families locally, as well as families on an Indian Reservation in New Mexico. Some clothes and bedding have been packaged and shipped to a large orphanage in Africa. Also, the items are organized and boxed to be given to pastors in Juarez, Mexico to be distributed to the families in need. Over the past 4 years, this ministry has donated to our ministry many of these boxed donations.

We have distributed the donations to all of the ministries that we work with (churches, orphanages and children feeding ministries) all over Juarez, Mexico. Also, we have given these boxed donations to Pastors and ministries in many different cities and towns throughout Mexico including ministries in the mountains that are helping the Tarahumara Indians and as far as Guadalajara, Mexico. All of the ministries are using the donations to help families in need. This ministry (God's Storehouse) has been a huge blessing in helping so many people in need.

What this means for us in accepting this director's position of God's Storehouse is that it will require us to move closer to the ministry. We currently live about two hours away from the ministry. Actually, we have already started traveling back and forth a couple days a week to help out. We will become the head directors and oversee all the work and operations of God's Storehouse. However, we will continue the ministry in Mexico in the following ways: Teaching the Bible School class once a week, preaching and ministering in different churches several times each month, helping different churches in poor communities once a month with an outreach (preaching, ministering and distributing donations to the families) and continuing to provide food and kitchen items for the children feeding ministries.

This position is **not** a paid position because the ministry is set up to operate without paid positions. This will be a step of faith for us! The financial needs for our family and the ministry will increase. With God all things are possible! Please keep us in prayer as we transition into these New Things. Also, please be in prayer that God will provide more monthly financial support for our family and the ministry. We love and appreciate each one of you for your support and prayers. You are a huge blessing to us and those that we minister to. We thank you from the depths of our hearts. May God richly bless you and your family!
