I will pour out my Spirit on all people. Your sons and daughters will prophesy, your old men will dream dreams, your young men will see visions. Even on my servants, both men and women, I will pour out my Spirit in those days. Joel 2:28-29

No, this is what was spoken by the prophet Joel: In the last days, God says, I will pour out my Spirit on all people. Your sons and daughters will prophesy, your young men will see visions, your old men will dream dreams. Even on my servants, both men and women, I will pour out my Spirit in those days, and they will prophesy. Acts 2:16-18

Hello dear family and friends,

Since our last letter, so much has happened in our lives that it would be impossible to write about it all. However, we are going to do our best to tell you about the things that we feel are the most important. So, here we go! We start with what God is doing in the lives of our children.

On March 29th, the most exciting thing occurred! Our daughter, Kari Grace, married a nice young man named Alexander who is actively serving in the military. He is a great guy and really loves our daughter. We are so excited for our daughter and her new life! She is married, has a new last name, and no longer lives at home. Honestly, it has been an emotional time for us not having our baby girl at home, but we know that God has great plans for her and our son in law. We are truly excited for them and what God has in store for their lives.

Next we will tell you a little about our oldest son, Joseph. He has been playing the guitar on the worship team at a small church. Then he began to lead worship for the once a month worship and prayer night at the church. Joseph has such a heart and love for playing the guitar and for worship. God has given him songs in dreams while asleep in the night. He wrote them down and someone helped him write the music for them. The songs are amazing!

Now our 2nd oldest son, Samuel serves at another church on the worship team singing and playing the keyboard. He also helps with the youth and young men's groups. God has given him the desire to be in full time ministry. So, he has just applied to attend a Bible School and plans to start in the fall. He also is preparing and raising funds to go to the Philippines on a mission's trip. Please pray and believe with us that God will provide for him financially.

Next, Jadon turned 17 in March and is driving now. He is preparing to serve with the summer mission's program called Gospel Ministries to Children. This will be his 3rd year. He will do a week of training on how to present the gospel to children and how to run a Bible club. Then he will have 3 weeks of Bible clubs.

He will go out door to door inviting children to the Bible clubs, teaching Bible lessons, singing songs, and sharing the gospel with the children. He is responsible to raise money to participate in the summer mission's program. Please pray that God will provide for him.

Finally, Nathan our youngest will be a teenager this year. He is growing up so fast! He is always a big help with outreaches in Mexico. He loves to cook hot dogs for the children at the outreaches. One Pastor in Mexico calls him the hot dog Chef. God has given Nathan so many talents. He loves basketball and playing the keyboard and is really good at them both.

We love our children and are excited for what God is doing in and through their lives. Not only did our daughter get married in March, but March is also 10 years that we have been working as Missionaries in Mexico. As we look back over the past 10 years, God has done some amazing things. We could go on and on with all the great things over the past 10 years. It's all been amazing! However, we are not content spiritually and are hungry for more of God. We are looking forward to the next 10 years of ministry and what God has planned. But, what is God saying to us? Well, what we believe He is saying to us is that we need to refocus and

return to our roots. In other words, He is calling us to return to the place where we were spiritually before He sent us out to minister. To that place where we said to Him, "Lord, we give our all to you and hold nothing back from you." To that place where we gave it all to follow Him. To that place where we put Him first in everything. To that place where we wanted to be in His presence and see His glory. To that place where Jesus was first in all that we did. To that place where we first experienced Jesus and His love. We believe that God is calling forth a people that will return to their first love. Where they first experienced Jesus and His amazing love. God will raise up a people that will seek Jesus first and that will lay their lives down for the sake of His love. God is raising up a people that will be full of the Holy Spirit. A people that will minister in the power of the Holy Spirit. God is raising up a people that will allow the Holy Spirit to move through them and the gifts of the Holy Spirit will manifest. People will be set free and delivered. People will turn to Jesus. People will be healed. People will see visions and dream dreams. We need the presence of the Holy Spirit in our lives. If it was important for the disciples and apostles, then it is important for us today.

Prayer Summits

We had a group come from Oregon and Utah to do prayer events in Juarez, Mexico and El Paso, Texas. The vision of the group is to unite the body of Christ and train leaders how to reach and impact their cities through prayer. The main focus starts by finding our secret place so that we can spend time with the Lord in order to come to know Him personally. The Prayer events were hosted by many different churches in Juarez and 2 churches in El Paso over 11 days. There were times of fellowship, times of worship, times of teaching, times of prayer, and times of ministry and healing. God did some amazing things! The most amazing thing was Pastors from different denominations throughout Juarez came together in unity (joined hand in hand) to seek God in prayer as well as to intercede for their communities. Then together, they would hit the streets around the churches to pray and evangelize. People were saved and healed. It reminds me of the song, "What if His people prayed" by the group Casting Crowns. Imagine what would happen if churches of different denominations would come together to seek God and pray. 2 Chronicles 7:14 says, "If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from Heaven, and I will forgive their sin and will heal their land. We experienced Pastors, leaders, and members come together to do just as this verse says and we saw God move. We are already planning for the next 2 week prayer event in September. We believe that Juarez will be shaken by the power of God because His people will be humbly coming together to seek His face, to pray, and to turn from sin.

Upcoming ministry and events

We have a lot of upcoming ministry and events. One of them is our mission's trip to Vera Cruz in August. We (Randall, Tina, Jadon, & Nathan) will be traveling with close Pastor friends for about a week to minister in various churches within the city and some villages in the mountains. We have been asked to go for years, but finally believe that this is the time to go. We covet your prayers for this upcoming ministry trip. We have already raised some of the money for the trip, but still need to raise about another \$1500.

The next ministry outreaches that we want to talk about is the Christmas Outreaches. There is only about 6 months to go and a lot of preparations to make. We usually do about 25 outreaches and have about 3,000 children plus adults that come. God has already provided the finances to feed the children a warm meal and provided all the candy. We are hoping and praying that we will receive the new jackets again. This year we are planning to put together little gift bags full of gifts for each child. Please believe with us that God will encourage churches and individuals to help us financially so that we can purchase what is needed to put these gift bags together.

Thanksgiving and Prayer Requests

Our hearts are full of thanksgiving for every prayer and financial support these past 10 years. God has provided for us in amazing ways! Thank you to all of you that have continued to lift our family and ministry in prayer and thank you to all of you who have faithfully supported us financially. Please stand with us in prayer for provision for the needs mentioned in this letter. Also, due to being a little short on monthly financial support the past few months, please believe with us for a monthly support increase. Because of your love, prayers, and financial support we are able to continue doing all that God has called us to do.

With much love,
Randall and Tina

Mother's Day everyone at the table for a delicious meal

On Mother's Day, we decided to walk over to Juarez because the car lanes were about a 3 hours wait.

Tina preached an amazing message on Mother's Day in Juarez.
