Reaching Out to the People in Mexico

With the Love of the Father

*And we know that in all things God works for the good of those who love him,
who have been called according to his purpose. (Romans 8:28)*

*For I know the plans I have for you," declares the LORD, "plans to prosper you
and not to harm you, plans to give you hope and a future. (Jeremiah 29:11)*

Many are the plans in a person's heart, but it is the LORD's purpose that prevails. (Proverbs 19:21)

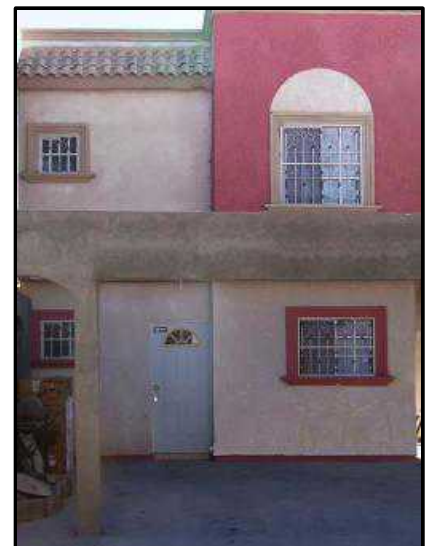

Greetings to you from Juarez, Mexico,

Sept/Oct/Nov 2013

Yes, that's right! We send you greetings from Mexico. I am writing to you from our home in Juarez, Mexico. In fact, we have been living here for two weeks now. There have been some really big changes in our lives and ministry since our last letter. Let me see if I can bring you up to date without being long and boring. Well, as you know, we had moved up to Alamogordo, NM to help out a ministry called God's Storehouse. My family and I served and worked with this ministry for the last six months. At the same time, we tried to keep the ministry going in Mexico. It quickly became evident that this was not going to be possible. Although the time that we served at God's Storehouse was short, we know in our hearts that we had finished the work that he had us there for. *To everything there is a season, and a time to every purpose under the heaven. (Ecclesiastes 3:1)* We are very grateful and thankful for each person that God put into our lives to minister to us and bless us while we were there. Also, we are forever indebted to them for their friendship, love and generosity. Our prayer for them is that God will abundantly bless them in every way.

We knew that our time was coming to an end at God's Storehouse as our hearts begin to burn with the desire to return to the work and ministry in Mexico. God confirmed over and over that this burning in our hearts was from him. God has filled our hearts with an indescribable love for the people of Mexico. One confirmation came through a close friend and Pastor when he offered our oldest son a full scholarship to his Christian Private School. Joseph wanted to attend school for his senior year and receive a high school diploma. God truly honored his desire and made it completely possible. The only problem was that he needed to go to El Paso right away to start school. Our dear friends, Vaughn and Angela told us that they felt impressed by God to open their home up for Joseph to stay with them until we found a home. God is so awesome in how he works out all the details!

Before we knew it, God had provided a home for us. In fact, He had provided us with two homes (one in Mexico and one in El Paso). It is really quite amazing how it all came about! The home in Juarez, Mexico was ready immediately for us. We moved in right away! The move cost us a lot of money, because when we moved to Alamogordo, we gave away most of our furniture and all of our appliances. So, we had to find some good used furniture and appliances. The move was a little difficult since we had to cross everything over the border. The Mexico border officials wanted taxes for almost everything that we had to cross. Praise God, we eventually got it all over and into the house. We are renting it for just \$220 a month! We will be living here in Mexico until we get everything worked out with the house in El Paso. This house will be used in many different ways for the ministry. We will be able to house our Missions Teams and have a place for our Bible School classes and prayer meetings. Also, we will stay in it when we have ministry and outreaches that are day after day. This home in Mexico is going to be a huge blessing to our ministry! It has been a desire for some time to have a ministry house in Mexico.

Our home in Juarez, Mexico

The house in El Paso is a 3/2 mobile home. We were blessed with an amazing price of only \$3,000 and the ministry in Alamogordo is paying for it. At this time, it is in a mobile home park. We would like to find a place to move it to that will be sufficient for it and our semi-trailer that we use to store the donations in. It is necessary to find a place that will accommodate both together. Due to the nature of our ministry, it is necessary and strategic to have a home on both sides of the border. We are in awe of God's blessing and work in our lives! These past two weeks, we have seen God do some amazing work in our hearts. Our desire is to love and serve the Lord with all our hearts, with all our souls and all our strength.

Please remember us in prayer for wisdom, guidance and safety as we reach out with the love of our Heavenly father. Also that God will provide us with a place to move our mobile home and semi-trailer. Finally, that God will provide all of our needs according to His riches in glory by Christ Jesus.

With much love and gratefulness,
