

Merry Christmas!

December 2013

Ready!

I am writing this newsletter right before I am getting ready to go preach in one of the most powerful churches of Naples. It's a honor for me!

Favor

I want to share something with you. If you were able to move from one step to another with just a phone call, that would say that you have great abilities in achieving results. If things come your way with little or no effort, then you would know it is Gods favor. He has just basted the doors opened for you.

Sometimes you need to make a lot of effort to achieve results. You need to prepare, to make phone calls, to go back and forth straightening things and more.

Other times God does not tell you what He is up to, but that He wants to involve you. I asked Him the reason why. I understood that for some things, He will not say anything, because you might not believe He could use you. Also you may not activate your faith to operate. So, you simply find yourself in a certain place, at a certain time, with certain people. Then, there is no way out.... How powerful is our God!

In the past few months, God has continually surprised us by accelerating the times. Jesus said that the times would be shortened because of the Elect. It seems that this is that kind of season for us. After He thrust us into the media ministry, He is now moving us quickly toward some great things.

We have just been at a Benny Hinn Crusade in Rome, and I was honored to be the interpreter. It was a great thing, and God has really blessed us. There was a moment where Pastor Benny Hinn talked about the importance of the family, sharing what happened to him and his wife, and that he and his wife have both remarried to others. He called Kathy to the stage, and we had a little funny moment, but very important for many couples that were there. He called all the couples that were having trouble to the stage, and had the husbands pray for the wives and bless them. The stage was full of couples. It was very touching.

We had Kathy's mom and dad visit us for the first time after seven years. We had a great time together and were able to visit great places and also do ministry together. We surely enjoyed their presence, and we already miss them. The kids had a blast! For us, it was important and refreshing seeing people that care for us and for what we are doing here in Italy. As for me, on December 11th, I celebrated my 40th birthday! It was great to also have my parents-in-law here for that.

Revival and Supernatural

We are still moving forward regarding "Revival and Supernatural" the Christian TV program that will be broadcast soon. In fact, we have made another purchase that completes what we need for the recording. We only need a bigger facility. We ask you to pray because we have received an offer to use a building. This building is 5 times bigger than what we have now. It would be great for our growing ministry. Please pray about this subject. Obviously, this will require an increase in the monthly budget, but we are sure that as God lead us so far, He will not leave us without funds. He is our Lord, and we work for Him.

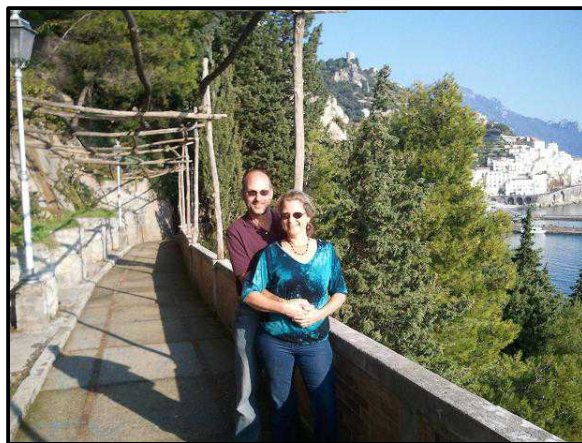

The new cameras!

Please pray for our ministry as we grow in many areas. If you have any questions for us, to follow what we are doing, to pray specifically for our needs, or to support us, please contact us at cirosaggese@gmail.com. Also, if you have prayer requests, please let us know, and we will pray together with our church.

At this time we would like to wish you a Merry Christmas and a Happy New Year. May Jesus bring you peace and love in those areas in which there is lack. His love is complete toward you. Receive it and share it with the broken hearted.

God bless you!
