BECAUSE EVERY NATION NEEDS TO KNOW HIM

His Name Shall be called Emmanuel

Dear Friends and Family,

Merry Christmas and Happy New Year!

Emmanuel means *God with us*. Christmas is not only the time of year when we pause and reflect upon Christ coming in the form of a baby, but it is also the time to celebrate that He is Emmanuel—very present with us today. It is more than a story in history; it is our story now also of God moving and working in our lives and the nations—He is with us and with you! With 2019 coming to end, we are simply astounded at all the Lord has done. Equally, our hearts are full of anticipation and expectation for 2020, and what God has prepared. Over the last year, we have witnessed so much growth, multiplication and strengthening of the works and churches here in Germany & Tanzania. God is building His Church—this is visibly evident—and we have had the privilege and sheer joy of partnering with Him in His great plan.

Thank you for being a huge part of making 2019 a year of enlarging our tents and stretching out. Your prayers have been palpable and giving has helped make all of this possible. In 2019, a new Indonesian plant was launched. In October, the Incubator, our church leadership development program at the local Bible College, kicked off. In May, we had the chance to celebrate the

expansion of the Tanzania network with about 100 leaders at annual conference. In June, we had a powerful outreach with the choir. Children's ministry has exploded, and both German speaking campuses in Frankfurt are growing. Still, the greatest stories are the testimonies of lives that are being transformed. He is Emmanuel—God is truly present!! We Look forward to 2020 and all that God has planned. Our new church network, called Fusion, will launch in January, and we receive new interns at the beginning of the year, and so much more!! From our whole pastoral staff at New Life Church Germany, the churches, our children, Strategic Global Impact, the pastors and network of churches in Tanzania, we say a huge thank you!

We love this Family photo—the one time we played the roles of Joseph and Mary, the Baby Jesus, and the shepherds.

Gabriel was 6 weeks old.

As we are going through the Advent weeks leading up to Christmas here in Germany, we are reminded of what all of this is about: Jesus, the greatest Missionary, came to a people and a land that was foreign from the perfection of his heavenly home.

He walked amongst us and showed us the way to eternal life. Jesus - Emmanuel - God with us! Let us all rejoice in this precious Gift - God's Son- sent to us.
