BECAUSE EVERY NATION NEEDS TO KNOW HIM

The Weaver family is growing up! These three miracle children are such a blessing to us and all who meet them. Abbie is now in the 6th grade, learning French on top of German and English and has begun being a mommy's helper to a German family. Nate just got great reviews on his German language skills and is on the lead team in his Rugby division. His coaches say he's got serious potential. Gabriel is learning to read, excited about starting to learn an instrument, and is a great little man. We thank you for covering our family in your prayers. Brian continues with his Ph.D, and I with starting up a small business. We're a busy crew.

### A real sense that God is doing something special

Dear family and friends, it's been months (our apologies) since we last put out a newsletter. Life seems to be speeding along like a bullet train; we jumped on & haven't felt it slow down.

There is so much to write about - so much good happening - growth at every church, leaders being raised up, new believers coming into the Kingdom, new facilities, a new "Incubator" for church planters starting this week, interns being ready to be launched out, outreaches, testimonies, marriages being healed, disciples being made, young people going for missions, & refugees being touched. We have so many stories. And there are many hardships too - people suffering from depression, families in trouble, real needs and real hurts, people coming to us with deep wounds from prior church experiences. But we can say, with joy and hope - God is doing something special in our midst. His tangible love, acceptance is healing people & setting them free.

### Gospel Choir Concert in Oberursel City Hall

We haven't even had a chance to write on this yet but we had a **small gospel choir** come from New Life Church Global in Virginia Beach in June. It may have been a small team and we mixed it with a team of our German musicians and singers, but God exploded on the scene! We had over 400 people pack out the gospel choir event in Oberursel and had another 200 attend in Frankfurt. All in all, we ministered to about 900 people in 4 events with the team! We've had people join our church as a result of these events and many were touched by the tangible presence of God in these concerts.

See picture to left - standing room only!

Raising up a new generation of Jesus followers who will worship God in Spirit and in Truth. We are so grateful for what God is doing in and amongst us as we lift Jesus up in the nation of Germany.

### **Our Cousin Gabby (16y.) getting Advanced Cancer treatment in Germany - Please pray with us.**

Janine's cousin's 16 year old daughter Gabby was diagnosed with a rare and very aggressive cancer in 2018. Having exhausted treatment options in America, our dear friend Erika (who recently passed from cancer) opened a door for Gabby to get an appointment in Heidelberg with an experimental cancer researcher/scientist. Mid-September she was the 3rd recipient ever of this treatment. The family came back in October for scans and saw a 20% decrease in the cancer! What a miracle. Believe with us for miraculous healing for Gabby.

All donations are tax deductible. Strategic Global Impact is a 501(c)3 non-profit organization registered in the Commonwealth of Virginia.

## **Explosive Growth in Kids Ministry**

3 years ago we had a handful of kids (most of them ours) in the kids ministry of New Life Church Oberursel. This fall, we registered 50+ kids in the church. We've been graciously given 2 new rooms for kids church and are expanding what we do and how we do it (big answer to prayer).

Using the Orange Curriculum and training up new leaders, our kids ministry is focusing on supporting the whole families growth in God. It is an exciting and crazy moment at New Life Oberursel as we expand, stretch, train. We believe that putting in right foundations now will reap a harvest later!

## **Empowering New Leaders NOW**

For the past few years we have had the privilege of interning 6 bible school students with us in our churches - men and women who now, in the next few months, will be launching out from us to plant churches, revitalize existing churches and plant new campuses for growing churches all around Germany. Matthias and Maggie & Marie and Lukas go to North Germany, Paul to East Germany, and Jermain, our pastor in training will be planting some where in the greater Frankfurt area. We are poised to see exponential church planting growth in the next few years! What a joy to see these guys get ready for their next steps in being leaders of the Christian movement in Germany. We couldn't be more proud. Pray for them!

**It was so much fun reuniting with New life Church Global and our family and friends this summer!**

**Thank you for your prayers and support as we serve Jesus in the Nations!**

**Brian, Janine and kids**
