Our Dear Family, Partners, Intercessors and Friends,

Who could have told us that we would be celebrating Christmas 2015 with 40 Iranian and Afghani Refugees as well as our dear multicultural family of Believers in Mosaik Church Oberursel, Germany? Nobody. And yet, as we finish off this incredibly intense and wonderfully fruitful year, we marvel at the divine opportunity we've been given to personally share the **Christ** of Christmas with those who have been previously banned from receiving His message.

As you've heard in the news, Refugees from the Middle East are flooding Europe; Germany is taking 1.5 million this year alone. Our church in Oberursel is feeling that flood wash through our door and through our lives. 8 Refugees have already made Jesus their Lord. God is moving amongst Muslims.

With the church planting mentoring group going on in the Pentecostal Beröa Bible College in Darmstadt, our pastoral involvement in Mosaik Network of Churches in Frankfurt, and the outreach going on daily in our lives through the children's schooling and other venues, we are seeing God at work in people's lives. Thank you for standing with the Mission of God (Matt. 28:18) and thank you for partnering with us in this very strategic season in Germany to see a harvest. And the harvest here is truly plentiful.

Please stand with us as we move into 2016: a new city church plant on the horizon, more ministry and discipleship with refugees, Germans, and people from many lands living and working in Frankfurt.

We are in the middle of a God-ordained moment in the world's history.

Muslims are coming to Jesus in record numbers in free lands.

Would you prayerfully consider making an end of year donation to the ministry to help us move forward into 2016 with resources to do the work of God?

We thank everyone who has prayed for us, interceded on behalf of our family and ministry, and given sacrificially. May God pour out abundance and refreshing on you for all you've given out in His Name.

We bless you and your home this Christmas Season.

Jesus is truly the Reason we celebrate!

Merry Christmas & Happy New Year from Frankfurt, Germany
