BECAUSE EVERY NATION NEEDS TO KNOW HIM

3 Gospel Concerts in 24 Hours!

Pastors/Church Planting Conference in May in Tanzania:

What started out 20 year ago as one church plant in Tanzania has multiplied and taken root! In December Brian was in Tanzania to meet with leaders and potential church planters. Brian is returning May 4th to do a larger leadership and church planting training. They are anticipating 50 pastors/potential church planters to be in attendance this time! This is a major next step with our Network of churches there. We are contending for a movement of healthy, life-giving churches to multiply throughout Tanzania.

Would you consider supporting this project?

The cost of the Pastors/Church Planters Conference (with travel) is estimated to be \$3,800 USD.

Dear Friends, Prayer Partners, and Supporters!

What a wonderful God we serve! On April 6th through the 10th, we hosted the 26-member Gospel Choir from our home church New Life in Hampton Roads, Virginia. While it was pretty crazy, we were able to pull off three concerts—in three different locations—in less than 24 hours. From beginning to end, we experienced the grace and power of the Spirit and saw God at work through the outreaches, concerts, and worship service. Young and old, the attendees responded with such joy.

WORSHIP ON THE STREETS

Germans are fascinated with the music genre Black Gospel; so we took the choir to the streets and God worked! On Friday night, we divided the choir up into 5 groups and dispersed into 5 areas around the city to invite people and do gospel music on the streets. It was so powerful as we could sense the tangible presence of God while

exalting Christ in the heart of Frankfurt. You can have a little taste of our outreach on the main pedestrian zone in the heart of Frankfurt by checking out some videos in our Facebook site for SGI. We had spent weeks promoting the concerts through radio announcements, posters in the city, flyer distribution and one-to-one invitations. It paid off!

People came to the concerts as a result of the Friday outreaches, posters and invitations. The Minister of Culture in Oberursel was touched by the concert she attended. God continues to give favor with people and local government. *(more on the next page)*

New location for New Life Church Frankfurt (Bockenheim) - awesome way to kick off AGAIN -with a Gospel Concert!

We continue to hear powerful testimonies from the concert!

(story continued) The response and attendance was more than we expected: we had between 500 - 550 people come between all three concerts--this was simply amazing. We anticipated and prayed, and you prayed--and God answered! In between songs, Choir members shared powerful testimonies of their lives before and after Jesus; we've heard testimonies of how these authentic transformations impacted those who came. In the weeks that have followed, we've had some of these guests show up at churches and life groups! We are overwhelmed with what we have seen God do & are ready to reap the harvest!!

All donations are tax deductible. Strategic Global Impact is a 501(c)3 non-profit organization registered in the Commonwealth of Virginia.

One of the many challenges of planting a church in a city in Europe is finding suitable locations. Furthermore, many places are simply not open to have christian organizations meet in their halls. We found ourselves a couple of months ago--once again--informed that we would no longer be able to meet in our Frankfurt location. However, once again, God provided as He always does! And it gets better: it just so "happens" that the first week we could be in the new location was also the SAME WEEKEND the choir was here. We had guests come to the concert/opening night at new location that Janine and I have been reaching out to for some time. What a wonderful event it was! Here's a picture from our first night. We are now meeting in a restaurant called Damiros Westside on Sunday nights in Frankfurt .

Strategic Prayer Points

1. Pray for continued fruit from the Gospel Concerts:
 - new open doors
 - new disciples and discipleship making opportunities
 - new favor in the cities and surrounding areas
2. Pray for strength for our team. There is a lot of excitement but also some weariness. Please pray for our core team of pastors.
3. Pray for the upcoming pastors conference in Tanzania. We want to see healthy, revived leaders leading healthy, revived, multiplying churches.
4. We have more people who are interested and preparing to planting churches with us in the next couple of years. We are asking God for wisdom and grace how to steward this burgeoning movement that we see. It is only by grace, and we need God's leading, direction, wisdom, and power.

We could never do this without you as part of our team! Your prayer and support make a tremendous impact on all that we do here. We know you are praying! Thanks for standing with us! And may God use you in great ways to make His Kingdom and His glory and His Name famous in all the earth!

Thanks for the love, prayers, and support!! This harvest is yours! The Weaver 5
